Premier Protection

Powertrain Protection

Powertrain Protection (Named Component)

ENGINE:

- Engine block
- Cylinder head
- Rotor housing
- Oil pan
- Valve cover
- Timing cover
- All internally lubricated parts contained within the engine
- Oil pump
- Timing chain
- Gears and tensioners
- Timing belt and tensioners
- Balance belt
- Variable valve camshaft adjuster
- Intake and exhaust manifolds
- Harmonic balancer
- Engine mounts
- Water pump
- Flywheel
- Flexplate

TRANSMISSION, TRANSAXLE and TRANSFER CASE (Automatic and Standard):

- Case housings
- Housing covers and pans
- All internally lubricated parts contained within the housing
- Torque converter
- Viscous coupling
- Vacuum modulator
- Transmission mounts
- Transfer case shift/encoder motor
- Range position sensor/switch

DRIVE AXLE (Includes transaxle and 4WD or 4x4 vehicles):

- Front and rear drive axle housings and covers
- All internally lubricated parts contained within the drive axle housing
- Axle shafts
- Constant velocity joints and boots
- Driveshafts
- Universal joints
- Flex discs
- Driveshaft center support bearing
- Driveshaft yokes
- 4WD or 4x4 engagement actuators and motors
- 4WD or 4x4 drive locking hubs

SEALS AND GASKETS:

- Seals and gaskets for all parts listed

ADDITIONAL COVERAGE OPTIONS, with POWERTRAIN Selection Only (NOTE: Available ONLY if selected at the time of Contract purchase and indicated on the Schedule):

PLUS:

*Coverage must be selected on the Declaration Page and an additional charge paid. Includes all components listed above in the POWERTRAIN coverage plus the following:

Electrical Covered Components:

- Starter motor
- Starter motor drive
- Starter motor solenoid
- Alternator
- Voltage regulator
- Alternator pulley and mounting bracket. Factory Installed Air Conditioning Covered Components:

FACTORY AIR CONDITIONING COVERED COMPONENTS:

- Compressor
- Accumulator/Dryer only in conjunction with compressor replacement
- Condenser
- Evaporator
- Compressor clutch and coil
- Compressor pulley and mounting bracket
- Expansion valve
- Orifice tube
- Blower motor
- Refrigerant and oil only in conjunction with covered Mechanical Breakdowns

Premier Protection (Named Component)

Coverage includes all components listed in POWERTRAIN coverage, plus the following:

FRONT SUSPENSION:

- Upper and lower control arms
- Upper and lower ball joints
- Wheel hubs and wheel bearings

STEERING:

- Steering gear
- Rack and pinion housings and all internally lubricated parts contained within the housings
- Electric power steering assist motor
- Power steering pump
- Pump power cylinder assembly

BRAKES:

- Master cylinder
- Vacuum or hydro booster
- Wheel cylinders
- Calipers
- Equalizer and distributing valves
- ABS electronic control unit
- Wheel speed sensor and exciters
- ABS proportioning control valves
- High-pressure hydraulic pump

FUEL:

- Fuel injectors
- Fuel pump
- All internal parts of the turbocharger and supercharger and their housings

COOLING:

- Radiator
- Electric cooling fan motor and its relay, fan clutch and fan shroud

ELECTRICAL:

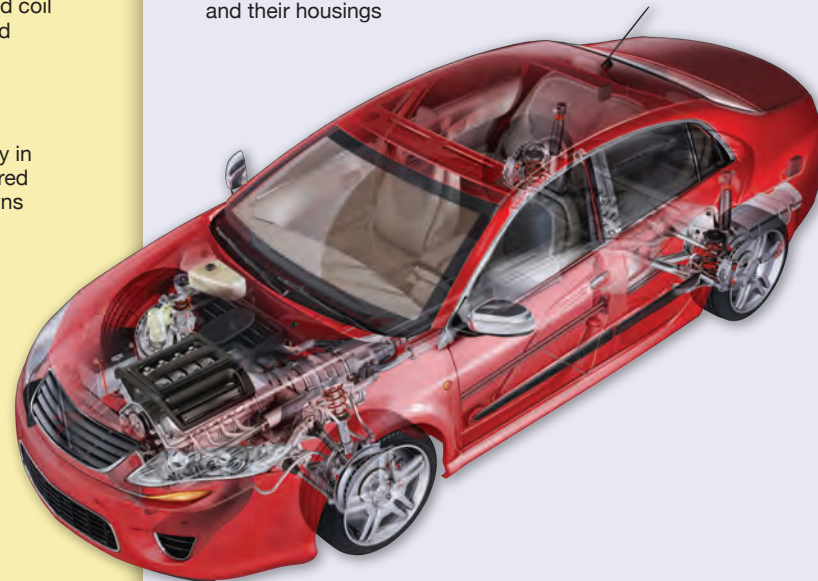

- Starter motor
- Starter solenoid
- Alternator and its mounting bracket
- Voltage regulator
- Wiper motor
- All manually operated switches

AIR CONDITIONING (Factory or dealer installed with factory approved parts only):

- Compressor
- Accumulator/Dryer only in conjunction with compressor replacement
- Condenser
- Evaporator
- Compressor clutch and coil
- Compressor pulley and mounting bracket
- Expansion valve
- Orifice tube
- Blower motor
- Refrigerant and oil only in conjunction with covered Mechanical Breakdowns

SEALS AND GASKETS:

Seals and gaskets for all parts listed

Elite Protection (Named Component)

Coverage includes all components listed in POWERTRAIN and PREMIER coverage, plus the following:

FRONT & REAR SUSPENSION:

- Upper and lower control arms, their shafts and bushings
- Control arm thrust rods, their bushings and links
- Ball joints
- Wheel hub and wheel bearings
- Steering knuckles/spindles
- Stabilizer bar
- Bushings and links
- Coil springs
- Leaf springs, their shackles and bushings
- Torsion bars

STEERING:

- Power steering pump, its reservoir, pulley, and mounting bracket
- Power cylinder assembly
- Steering column shaft, its couplings and bearings
- Intermediate shaft
- Tie rod ends
- Pitman arm
- Idler arm
- All other steering linkages

BRAKES:

- Vacuum pump
- Brake pedal assembly
- Parking brake assembly

FUEL:

- Fuel sender assembly
- Waste gate
- Intercooler
- Supercharger pulley
- Fuel pressure regulator
- Fuel tank

COOLING:

- Radiator brackets
- Thermostat
- Fan blades
- Coolant recovery tank

ELECTRICAL:

- Power seat motors and relays
- Power window motors and relays
- Electric driver and passenger door lock actuators
- Window washer fluid pumps
- Wiring harnesses
- Oil pressure sending unit

AIR CONDITIONING (Factory or dealer installed with factory approved parts only):

- Accumulator
- Receiver dryer
- Evaporator
- Condenser
- Idler pulleys and bearings
- Serpentine belt tensioner
- Air conditioning pressure switches
- Blower fan

ADDITIONAL SUSPENSION:

- MacPhearson struts
- Electronically controlled variable suspension struts and their switches
- Air suspension bags or springs
- Compressor

AIR & HEAT:

- Heater core
- Heater control valve
- Control cables
- Ducts
- Plenum doors
- Blower motor resistor
- Condenser cooling fan motor
- Manual climate control head

ADDITIONAL FUEL:

- Throttle body
- Throttle cable and linkage
- Accelerator pedal assembly

ENHANCED ELECTRONICS (Factory or dealer installed with factory approved parts only):

- Global positioning system (GPS) or other navigational/motorist assistance system
- Heads up display (HUD) projector and display module
- Radio
- Amplifier
- Tape player
- Dash mounted CD player
- DVD player
- Dash mounted graphic equalizer
- Engine control modules and sensors
- Ignition coils
- Ignition distributor
- IAC motor

Diamond Protection (Exclusionary Coverage)

This is an Exclusionary Coverage and Protection contract providing Mechanical Breakdown coverage for the repair or replacement of ALL factory installed mechanical and electrical operating parts on the Approved Vehicle except for below listed Exclusions. Coverage includes fluids and labor only when required as part of a covered repair.

DIAMOND EXCLUSIONS:

1. Repair or replacement of components that are recommended or required solely by the enactment of any local, state, or federal law, rule or regulation, nor does this contract cover any repair or replacement of components recommended or required solely by a manufacturer's technical bulletin or manufacturer update when no failure has occurred.
2. Non-mechanical, non-electrical, non-pneumatic or non-hydraulic components, non-mechanical, non-electrical audio speakers, batteries, water and wind/air leaks, bumpers, chassis, clamps, catalytic converter (unless under green choice optional protection), pvc system, fuel vapor recovery system, glass, lines and fittings, mirrors, manual clutch components, passenger/driver restraint systems, non-mechanical, non-electric seat components, non-mechanical, non-electrical secondary ignition components, suspension springs, telephones, torsion bars, tires and wheels, internet computer, telematic services and devices (i.e., Onstar), non-mechanical, non-electrical heads-up display, non-mechanical, non-electrical night vision systems, tire pressure monitoring systems.
3. "General contract exclusions" as stated in the terms and conditions of the contract.

Optional Coverage Available:

- Hybrid vehicle coverage (covering hybrid/electric batteries).
- Commercial use coverage (includes activities such as farming, ranching, rodeo, route work, deliveries, service calls, construction, hauling and daily rental).
- Environmentally friendly GREEN Choice coverage (covering emission, ignition, and exhaust components such as the catalytic converter).
- Lifted or Lowered vehicle coverage (covering factory allowed lifting and lowering of vehicles).
